**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please dont let the monopolistic subpar quality of service come back. Please save and encourage a competitive environment. It is ironic that in Sillicon Valley the internet offerings are worse than in an Europe countryside small town, both speed and prices ... and the main reason is lack of true competition.
